NAME OF OWNER.....

UNIT NO. DATE OF APPLICATION

TELEPHONE..... E MAIL OR FAX

Terms and Conditions

- 1) Application for an alarm system is to be made in writing and the Directors reserve the right to decline any application.
- 2) Installation of the alarm system cannot commence until the application has been approved.
- 3) The alarm system may not include an external siren. The alarm system may only be connected to the Village's preferred service provider.
- 4) A quotation for the work must accompany the application. The installer must be a reputable company with staff that are qualified to do the work.
- 5) Outside alarm beams may not be installed on the road facing side of your dwelling. The number of outside beams and their positioning is to be stated on the application form.
- 6) All cabling on the exterior of the building must be completely concealed.
- 7) The system needs to be maintained in good working order as constant false alarms will be considered a nuisance factor to other residents.
- 8) Although the external part of the building is common property, the applicant undertakes to make good any damage to the structure and to touch up paintwork at his own expense.
