Terms and Conditions

1. Application for a carport is to be made in writing, and the application must include a plan of the unit together with the proposed positioning of the carport.
2. Construction of the carport cannot commence until the application has been approved.
3. Specifications for the carport must be included in the submission. Carports may only be erected by the Village approved installer. Should the carport that is erected not conform to the Village standard specification, the owner will be required to remove the carport at his own expense.
4. A quotation for the work must accompany the application.
5. The applicant is responsible for submitting the plans to the Municipality. Any work that commences prior to municipal approval is done at the applicant's own risk.
6. The Directors reserve the right to decline any application.
7. Although the carport will be erected on common property, the applicant undertakes to maintain the structure and the Directors reserve the right to take any action that may be necessary if this is not done so.
