

APPLICATION – SATELLITE DISH OR ANTENNA

NAME OF OWNER.....

UNIT NO. DATE OF APPLICATION

TELEPHONE..... E MAIL OR FAX

Terms and Conditions

1. Application for any form of satellite dish or antenna is to be made in writing. The application must include a sketch of the unit together with the proposed positioning of the dish/antenna.
2. Erection of the dish/antenna cannot commence until the application has been approved.
3. The installer must be suitably qualified, must submit a quotation for the work, indicate the purpose for the antenna and state how high above the highest point of the roof the antenna will protrude.
4. The dish/antenna may not be removed without permission when the unit is vacated. (Specialised antenna will be required to be removed). All cabling must be installed through the roof space and not along the exterior of the walls. No cabling may be visible on the exterior of the building.
5. The cost of repairs to any damage to the exterior of the building will be for the unit owners account.
6. The Directors reserve the right to decline any application.
